### **PRESIDING OFFICER GREGORY VISTS WYANDANCH HIGH SCHOOL TO TALK POLICY WITH STUDENTS**

Presiding Officer DuWayne Gregory speaks to a group of Wyandanch High School seniors on Tuesday, Sept. 20.

Amityville, NY – Suffolk County Legislature Presiding Officer DuWayne Gregory met with a group of students for a town hall style forum at Wyandanch High School.

The group of approximately 80 seniors from Mr. Walter Morris' Participation in Government classes gained a better understanding of how public policy can affect their daily lives by sharing their concerns and raising issues that are important to them.

"Every year I look forward to meeting with these students as I feel it is important to keep our young people informed and involved in the political process," said Presiding Officer Gregory. "I was very impressed with this group's insightful questions and concerns. I want to thank Mr. Morris for inviting me to this forum year after year."
